

Alles endet, was entsteht

German text by *Walter Heinrich Robert-Tornow* (1852-1895) after *Chiunche nasce a morte arriva* by *Michelangelo Buonarroti* (1475-1564)

Set by *Hugo Wolf* (1860-1903), from *Drei Lieder nach Gedichten von Michelangelo*, #2

Alles endet, was entsteht.
['?a.ləs 'ɛn.dət vəs ɛnt.'ʃte:.ət]
Everything ends, which comes-into-being.

Alles, alles rings vergehet,
['?a.ləs '?a.ləs rɪŋs fəg.'ge:.ət]
Everything, everything all-around passes-away,
(*Everything about us passes away,*)
