¿Qué fuera el sol sin fulgores,
[ke 'fwε.ra:‿ el sol siŋ ful.'yo.rez]
What might-be the sun without splendor,
(*What would the sun be without [its] splendor,*)

Ni esos cielos sin colores,
[ni 'e.sos 'θje.loz siŋ ko.'lo.res]
nor those skies without colors,
(*or those skies without [its] colors,*)
