¿Qué	fuera	el	sol	sin	fulgores,
[ke	'fwe.raː̃	el	sɔl	sin̩	ful.'ʎɔ.ɾes]
What	might-be	the	sun	without	splendor,

(What would the sun be without [its] splendor,)

Ni	esos	cielos	sin	colores,
[ni	'ɛ.sɔs	'θje.lɔs	sin̩	kɔ.'lɔ.ɾes]
nor	those	skies	without	colors,

(or those skies without [its] colors,)
