Text by *A. de Saineville*

Sous le soleil qui les irise,
[su lə sɔ.lɛj ki lə. zi.ri.zə]
Beneath the sun that it turns-iridescent,
(*Beneath the iridescent sun*)

En dorant leur reflets soyeux
[ɑ̃ dɔ.rɑ̃ lœʁ rɛ.'flɛ swa.jø]
while gilding their reflections silky
(*that gilds its silky reflection,*)
