

Wind of the Wheat [wɪnd əv ˈmiːt]

Text by *Harold Simpson* (1909-1955) [Br]

Set by *Montague Fawcett Phillips* (1885-1969) [Br]

The wind runs o'er the wheat
[ðə wɪnd rʌnz ɔɹ ðə miːt]

On fairy feet,
And to the waving corn
It whispers in the dawn.

It sings a low sweet song
The whole day long:
As love once came to me
